

COPTHORNE PREPARATORY SCHOOL

WEEKLY NEWSLETTER NO. 3 - 23 September 2011

INTERNET AWARENESS /SOCIAL NETWORKING SAFETY PRESENTATION
All the children in Years 7 & 8 enjoyed a very informative session with some Hurstpierpoint College sixth formers this week. The boys explained all the very important safety precautions that should be taken to avoid mishaps on the internet/social networking sites. Sadly, the evening presentation to parents was very poorly attended, which was a real shame as it provided very useful information about how parents can encourage their children to stay safe.

YEAR 3 & 4 PARENTS' EVENINGS

These very important meetings are timetabled to take place on Monday 3rd October.

All parents are encouraged to make contact with the class teacher to arrange an appointment at a suitable time.

IAPS HEADS' CONFERENCE

Mrs Jones and I will be away from School on Monday, Tuesday and Wednesday next week as we are attending this informative conference in Birmingham to ensure that Copthorne remains at the cutting edge of educational provision!

"Where next After Copthorne Evening" - Thursday 29th September, 7.00pm in the Rendall Room

All parents are invited to attend, although this evening will be of particular relevance to parents of children in Years 5-7 who are beginning to think about life after Copthorne, and the decisions that need to be made before selecting the next school! Following this presentation, we host a future schools fair on Thursday 6th October (7.00pm in the Sports Hall), where representatives of all the local Senior Schools set out their display boards and encourage parents to browse informally and collect prospectuses etc.

Both dates are not to be missed!

COPTHORNE PARENTS SOCIAL COMMITTEE - NEED YOU - MUMS AND DADS

Many of you may be new to the school and not know that we have a Parents Committee which organises the Christmas Bazaar in November and the Summer Fete in May. Last year we made over £17,000 for the school, which will be going towards a new climbing tower for the school. We also gave money to St Catherine's Hospice in Crawley. These two events are not only great fun for the whole family, but really create a sense of community within the school.

In June of this year many of our members, who had been on the Committee for some time left as their children were going on to senior schools, therefore we are looking for parents who would be interested in getting involved in the school. We meet around 6 times a year for Committee meetings, and the first one is being held on Wednesday 5th October at 8pm in the RE Room - wine, soft drinks and nibbles will be served.

So if you would like to join the Committee in any capacity please drop me a line at katrina@truecoloursinteriors.co.uk and do come along to our October meeting. Who knows you could be helping in Santas Grotto, or serving up some mulled wine, or even painting faces - but whatever you do you will be helping all the children at Copthorne Prep School.

HARVEST FESTIVALS - THURSDAY 6TH OCTOBER

In addition to the Pre-Prep Harvest Festivals advertised in the school calendar (9.00am and 11.00am in the Chapel) to which Pre-Prep parents are invited, the Prep school are now holding their own Harvest celebration in the Sports Hall (but sadly parents are not invited!)

We hope that every child in the school will donate some sort of tinned or dried produce (not fresh) that will form part of our Harvest display, that will then be donated to the Crawley Open House Charity as last year. Crawley Open House provides a gateway to support services for those suffering the effects of homelessness, unemployment, loneliness, discrimination or other forms of social exclusion within our local community.

More information about the Charity can be found on their website www.crawleyopenhouse.co.uk

Motorola mobile phone found in school - has cracked cover and battery is run down. Contact School Office for more details.

LOST PROPERTY

Daniel Gooda has lost his swimming bag. It is a blue bag with the word 'Suzuki' on the outside. In the bag is his towel, trunks, ear plugs and goggles - they are all named.

Ben Voller has lost his tracksuit bottoms – they are named – please could children check.

Harvey Clarke-Wells (Yr 4) has lost the following: Tie, Jumper, Blazer; and Black Jacket.

Please look out for these items and return them. Thank you.

2012 Brighton Marathon – Olympic Year, Olympic Challenge!

2012, will be the third Brighton Marathon and it is expected to be even bigger with over 20,000 runners expected to take part, making it one of the largest running events in the UK.

Individual entries are closed but Outreach 3 Way, a local charity for people with learning disabilities, is delighted to be able to offer places as part of their team.

To enquire about a place, please contact fundraising@oureach3way.org or phone 01293 594248.

WORLDS BIGGEST COFFEE MORNING FRIDAY 30TH SEPTEMBER - FROM 10 am

I am organising my third annual event for Macmillan Cancer Support "Worlds Biggest Coffee Morning".

Sweetwoods Park Golf Club, Cowden, Edenbridge, TN8 7JN

It would be wonderful to have as many people as possible attend the event.

All enquiries to Cherry Persad 07548 607078

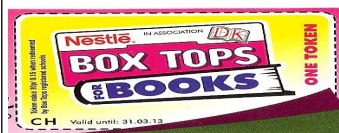

I will be selling raffle tickets at school every morning (near the Pavilion) from Monday - at £1 per ticket or £5 for a strip of 5. First prize is a weeks accommodation in a Spanish Villa plus many other great prizes.

***Draw to take place on Friday 30th September at Sweetwoods Park Golf Club
Please come along and support the charity.***

NURSERY & PRE-PREP NEWS

Nestlé Cereal Box Tops

We are collecting these again, to save up for books. There is a collection box at the main Pre-Prep entrance.

Nursery generosity – Last week, the Nursery children were invited to take part in a 'Guess the Number' competition to raise money for children hit by drought in Africa. Each child was asked to bring in £2.00 and in total we raised

Save the Children.

£56.30 (with one of the children bringing in 30p from her own money box). This money has been sent to Save the Children. The two winners of the competition were announced on Friday – congratulations to Mitzie and Minnie who both received a soft toy as a prize. Leading up to the competition, the Nursery staff took the opportunity to talk to the children about how their money would be used and how important it is not to waste food and water. We are also looking forward to a visit next week from Kaltun Hassan, an ex-Cophthorne parent, who works with the United Nations in Kenya and Somalia, ensuring that the stories from the famine struck areas are published and broadcast as widely as possible. Thank you to all the parents who took the time to read the letter and to send their children in with £2.

We hope you will agree the money has gone towards a very worthy cause.

Younger Nursery – this week we have been looking at red circles and enjoying strawberry tasting.

In the woods on Friday we will be doing some tree rubbings, including taking rubbings from the enormous tree half way down the field which has a large branch chopped off and shows all the circles of growth.

Pink hearts next week ...!

Reception – have been

learning about water - where it comes from and what we use it for - as part of our Jack & Jill nursery rhyme. We had lots of fun afterwards washing all our toys in the Outdoor Classroom.

We have also been making numbers using natural materials that the children found in the woods. They ended the session singing with Mr. Lee under a big parachute.

Year 1 children wrote some particularly interesting 'news' earlier in the week and some are already getting to grips with good joined-up writing.

I went riding and I won a rosette and it was pink and my horse was naughty. She was messing about. My nephew came around to visit. By Ruby

I made a tree house. It is high. My dad built it with me and my brother. By Polly

Year 2 are learning about Ourselves and growing older. We have painted two self portraits; one of which is as we are right now, all fresh faced and lovely. We then talked about what happens to our faces as we age and painted a second picture of ourselves at 60 - wrinkles and all!

We will be continuing with portraits, this time in the style of Picasso.

Uniform – there is still an unclaimed, un-named new black coat and second hand cardigan in the office. Also Mrs Passmore has an un-named tie, shirt and vest in her classroom!

Rhiannon Ball has lost her named cardigan, and Ruby Hickmet has lost her un-named new black coat ... please look out for these items.

Tempest photos - Individual Photos (and family groups) will be taken on Monday 3rd October. Could all Nursery children who are not normally in, please be here by 9am, if they wish to have their photos taken.

SPORTS RESULTS

U9A Netball v Brambletye - Won 18-0

Well what can I say after a score line like that, the under 9's were definitely back on form and at their best this week! From when the whistle blew Copthorne dominated the play allowing Brambletye little possession of the ball. The shooters Yelena and Alice were on fire today, and the attack consisting of Ami and Hermione/Ellie gelled together nicely, moving well into space and linking well with the shooters. The defence once again proved to be a valuable asset for this team and Madeline, Elise and Amber worked hard allowing Brambletye no shots on goal. As a result of the whole team's effort, Copthorne were leading by nine goals to nil at half time!

At half time changes were made and some of the girl's found themselves playing out of their 'usual' position, more so in the last quarter. Copthorne however took this in their stride, and there was some nice play from Elise as centre who worked well with the wings Yelena and Alice. The defence consisting of Ami and Hermione despite their height played phenomenally and despite Brambletye picking up their game, they stopped Brambletye from entering the D to go for goal! Amber and Ellie also got stuck in as shooters resulting in some great goals being scored by Ellie with near misses from Amber, helping to add to the total score today. The final score was 18 goals to Copthorne and 0 for Brambletye!

Well done girls, a brilliant afternoon of netball, however there are still a few areas we could improve on to keep up the high standard of netball already being achieved and to strengthen your game even further!
Once again though well done girls and thank you to all the supporters, this is definitely a team to watch out for in the future, and over the forthcoming weeks! TC

U8 Netball v Brambletye - Won 5-1

The girls U8 netball team took on Brambletye this week playing in their first ever netball match. It was also Brambletye's first match so we took this opportunity to have a training match, giving warnings for footwork, offside, contact and distance from the ball.

This week our captains were Charlotte Radley and Sophie Gillam, who got off to a good start by winning the toss and choosing to have the first centre pass! Once the girls were all onside play began. Copthorne got off to a fantastic start making good passes and getting the ball into the circle, after the first centre pass our first goal was scored by Sophie Gillam. As play continued the girls continued to pass well in attack and make good interceptions in defence. At the end of the first half the score was 3-1 to Copthorne. In the second half the girls continued to impress. We had some lovely interceptions from Ella Devine at GK and Deba Osague at GD and Ella Cavedaschi moved well and got herself into good space. Charlotte Radley played well throughout and linked the ball nicely up and down the court. Special mention goes to Sophie Gillam and Katherine Munro who worked well in the circle together with Sophie scoring all 5 goals.

Massive congratulations to all the girls who played, it was a very exciting first game and a good win. Thank you to all the supporters who came to watch encouraging on the team. Well done! HC

Under 10A Netball v Brambletye - Won 20-1

As soon as the first whistle went everyone was switched on and focused, this resulted in us being 6-1 up after the first quarter! The movement between Alys, Liliana and Hannah around our attacking circle, was excellent this week, with the girls not panicking and moving the ball back and around if the pass into the shooters wasn't on. Hannah and Alys made a fantastic pairing in the circle working together to get some brilliant shots on goal.

Harriet had an awesome game as centre just appearing everywhere and always with the ball and finding a nice strong accurate pass to whoever was free for her. Elizabeth was enthusiastic, as she always is, but in today's game found herself going flying across the court after a tangle of legs with a Brambletye girl. She came back on and was making some lovely interceptions. Loren and Charlotte both had a strong game. Well done girls.

A BIG thank you to the supporters who came to watch! Player of the match: Harriet Pratt. LJ

Under 10B Netball v Brambletye - Lost 1-9

Huge congratulations to our U10B team, who despite losing their match, played a spectacular game of netball! What a tough match the girls played - facing the Brambletye 'A' team. Well done to Nina Kashdan who scored our fabulous and only goal of the match. It was a brilliant shot that landed straight in the net!

Also a big round of applause to our defenders, Lily Bourne, Natalie Harrison and Jemima Lee, who all worked really hard to prevent our opposition from scoring. Jemima amazed us with some brilliant intercepts that helped turn the game around.

Well done to Zilly Rustom who helped start us off with some amazing centre passes. Eloise Oplaat-Perry, Ria Patel and Alice Shoesmith should be congratulated on their court movement and the enthusiasm that they brought to the game.

Well done girls and good luck for next week. LC. Player of the Match: Jemima Lee

Under 11B Netball v Brambletye - Lost 0-16

After a wet morning, the sun came out for a busy afternoon of netball at Copthorne Prep. We faced a tough match against Brambletye, with a couple of our new Copthornians playing their first official match. Brambletye took an early lead in the first quarter scoring 4 goals. However, after quarter time, the girls began to play much better, communicating with each other, using careful footwork and striving for the ball. A special commendation to Ella Bain (GD) for her positive attitude throughout the match and solid ball skills. Georgina Guest (GA) also played well, finding space on the court and calling for the ball. Finally, well done to Willow Plater for her fantastic interceptions as centre. Today's match did highlight many areas we need to work on but it was good to see almost everyone trying their best despite the score. Thank you to all the girls and also to the parents who came and supported them. JB

2nd VI Hockey v Brambletye - Drew 2-2

The 2nds had a really tough match today, playing against a Year 8 Brambletye team.

Both teams were evenly matched and the competition to win the ball was aggressive. The Copthorne girls had several chances on goal, but unfortunately they didn't hit the target. However, our perseverance paid off in the first half with Roselly scoring the first and only goal in the half!

After a team talk and some e-numbers! The girls were ready for the second half. However, Brambletye came out fighting and found us sleeping on a couple of occasions scoring 2 quick goals.

Sarena and Sian played brilliantly in defence, tackling well and pushing the ball up field. Georgia had an excellent game in goal, saving shot after shot keeping her team mates in the game.

Late in the second half, after a goal mouth scramble, where Frosty hit the post, Roselly managed to pick the ball out from the GK's feet to score her second goal. A very well deserved draw girls! Well done to you all!

Player of the match: Everyone, but especially Sian Harris for her tackling and general play, especially as it was her first ever hockey match. Well done Sian! MJ A huge thank you to Mrs Finnegan & Mrs Hamlett for helping with transport!

1st VI Hockey

For the first 2 minutes Copthorne had the possession and territory but not the aggression and fire to get the ball passed the edge of the attacking circle. Brambletye, from here quickly settled and found their rhythm. They demonstrated how indoor hockey should be played, quick ball speed; continuous movement off the ball and not giving the ball carrier any time. Brambletye's goalkeeper was outstanding and closed down any shot early on. Copthorne did manage to create scoring opportunities but the final pass went astray. Katie and Amber had a tough time in defense and did a fantastic job. Abigail and Jessica's work rate was superb; they kept chasing back trying to win the ball. Sofia did manage to sneak one goal back towards the end.

Hard luck girls. HP Team: Francesca; Katie; Amber; Charlotte; Sofia (1); Abigail; Jessica

The Sale Cup Comes Home! Copthorne 3 - Brambletye 1

Scorers: Morgan (3)

The First XI can walk proud again, knowing that they are the ones who have regained the Sale Cup for Copthorne. This is a small piece of silverware, but it is a prize that we have fought against Brambletye on the football pitch for, ever since the early 1950s when Mr David Sale was our Headmaster. This match, above all others, stands out on our calendar and is marked down from the beginning of every season as the one that must be won. Sadly the cup has been in Brambletye's hands more often than not over the last few years, but now it has come home.

We dominated the match right from the start, but came together at half time hardly able to accept the fact that we were 1-0 down. Brambletye had one attack in the first half, but they scored from it, while we had hit the crossbar and wasted half a dozen fine opportunities. I told the boys to keep playing the way they started, and that in time the goals would come, and this turned out to be true. Our first came from the penalty spot after a handball in the box. Morgan blasted the spot kick home, and you could see the confidence surging through every player in the team. Nils and James N had little trouble in defence, as Brambletye really struggled to play through our mid-field. Andy and Jamie W were flying into the tackles and setting up a fine platform for us to play from. Edward went on the rampage down the right wing, terrorising his opposite full back and pinging numerous crosses into the box. Andy was voted man of the match by the players, but the award should probably be shared between him and Morgan who scored a fantastic hat-trick and hit the wood-work twice. If we had played the simple pass a little more quickly in attack, instead of trying long range shots or trying to pull the ball back to create the perfect chance we could have had a hatful of goals. All in all though, a fantastic result and a great performance from every single player out there. Well done lads; this was a game that you can look back on for years to come with a sense of pride ... a very fine performance all round!

Keep your eyes open as you walk into the school in the mornings ... there it will sit in our front hallway ... the little trophy on the mantelpiece is back where it belongs. Boys from Copthorne have been playing for that trophy since before some of your grand-parents were born. And now it's home. Thanks to you lads! DJ

GK - Gianluca, RB - Duncan, CB - Nils, James N, LB - Jamie M, RM - Edward, CM - Andy, Jamie W, LM - Ian, ST - James D, Morgan. Subs: Oli H, Harry.

U9C Football v Brambletye - Won 9-0

The Under 9C team took to the field, playing a 5 a-side match against a surprisingly younger Brambletye team.

The whistle blew to start the match and straight away the Copthorne team came out all guns blazing.

D. Persad's pace was shown very early on as he made it look easy out sprinting the opposition down the touchline. He managed to bag himself 2 goals in the game which came from great control and powerful booting!

The impact from N. Jeffery's was spectacular off the bench who managed to manipulate his way through the defence to nail 2 goals in the back of the net in the 1st half, and followed up with a hat trick after putting his 3rd in the 2nd half as well.

J. Flanagan's power was shown as he managed to barge his way down the field to a 1 on 1 with the keeper, sending it sailing past his fingertips!

J. Weir seemed to be in the right place at the right time after getting 2 through balls from a fellow team mate, where he managed to finish it off twice, pummeling the tiny ball deep into the net.

As H. Clark-Wells took to the field he showed he had the pace to run around the opposition, then ducking back in field where he managed to send one of his own sailing past the keeper.

All the boys managed to play extremely well today and all the goal scorers plus B. Elliot, N. Lopalco who both had a stint in the goal box played extremely well whether in the goal or on the field and B. McFadden's pace and defence around the field has to be noted!

A big mention to the Brambletye boys, who played their very best, going up against some older boys, well done for that! Well done to all the boys, the final score sat at 9-0 to Copthorne. It was a good first match of the season for you all and a lot of potential was shown. Thanks a lot boys! QM

Colts C Football v Brambletye - Lost 1-4

After morning rain the C team were looking forward to deploying their passing game on a slick surface at Brambletye. To the boys disappointment they were greeted by a very small pitch which limited our attacking flair. With both the C and D teams playing at the same time it was left to skipper Joseph G to lead the squad through their pre-match routine. To be honest we struggled to get used to the size of the pitch in the first half and found ourselves out of position on a number of occasions allowing them to score 3 quick goals this could have been more but for some last ditch tackling from Jamie F and solid goalkeeping from German who is making the number one jersey his own. A half time talking to seemed to do the trick as Robert R and Toby A started to get the better of a crowded midfield. Unfortunately we conceded a 4 which put the game out of reach but to the credit of all the players they kept on working hard with some tough tackling from Benjamin J we were rewarded with a fine goal by Joseph G who thumped the ball home on the half volley. Lani added some physical presence up front in the second half and closed down the defenders well almost creating another chance for Joseph G.

The full time whistle blew and a 4-1 defeat was the end result.

Team: German, Toby A, Joseph G, Lani, Neel, Jamie, Benjamin, Robert.

Colts D Football v Brambletye - Won 3-1

On the back of an opening day victory two weeks ago the same squad assembled to take on their Brambletye counterparts. The boys started well applying early pressure but the use of the offside in the first half confused the boys as they were twice pulled up whilst one on one with the goal keeper. So it was with great joy that we took the lead through Nabil who slotted home from close range and some tidy interplay between Andre and Joseph S. A further goal was scored by Fred (although I did miss it he explained that it was a simple goal, although by the time we got back to school he said that he had beaten three defenders weaving in and out like they were cones) So a solid 2 – lead at half time and a quick word with the referee and the offside rule was scrapped for the remainder of the game. The back two of Will F and Daniel G stood firm at the start of the second half assisted by Tom G who was always willing to dive at the feet of the attackers. Some great work by Nabil set up the energetic Robbie for the third and despite a consolation goal against us we held on for our second victory in 2 games.

Well played boys. Next week Pennthorpe so it is not getting any easier.
Team: Tom G, Fred (Capt), Will, Joseph S, Nabil, Robbie, Daniel, Andre

Evan's in heaven with the Bs but the As get stung by a late equaliser.

Sadly the camera failed a last minute fitness test, so this match report will only be in text. In the much anticipated fixture against local rivals Brambletye the Colts B were first up, and Gore wasted no time in dribbling the ball through the shell shocked defence to score within the first minute! What followed was a dominant display with smooth passing and some lovely individual touches. New captain Penlington was awesome down the right and was a constant threat to the Brambletye goal. Some great interplay with between him and Kroeger was very effective and supplied Cathcart who was unlucky not to score on a couple of occasions. New addition Voller started in the midfield but returned to his more comfortable role in defence where along with Hawes and Abdulle they proved resilient to the more frequent Brambletye attacks in the second half. Goalkeeper Khan stubbornly refused to use his hands which led to a couple of interesting moments, but he deserved his clean sheet. The game was in the balance with 7 minutes to play until a Barcelonaesque move involving the whole team was finished first time by MOTM Penlington with a searing 20 yard shot, maybe the finest under 11 goal ever seen! 2-0 was a good result, and thoroughly deserved after a strong performance.

In the Colts A fixture we started confidently having defeated Brambletye on Monday in the Lancing Sixes, and the impressive play continued straight from the whistle. Captain Hayes was mercurial in the middle of the pitch and supplied the enigmatic Tennant and new man Flavin, happily returning from his broken finger, down the flanks. In a display reminiscent of the 1970's Dutch team, the total football on display was a joy to watch. Eades and Hannah had to work hard when we did lose possession, but they made some crucial tackles and kept pushing the ball forward. Chance after chance came, but the final touch was lacking today. A penalty chance for Hayes was well saved by their keeper, with Tennant and Flavin unlucky not to score the rebound, and from nowhere Brambletye attacked on the rebound and with 3 against 2. Last man Blackmore closed down his man well but couldn't stop them all, and Kinnear did his best between the sticks, but he could not quite keep out the final shot and as the whistle went for half time we had to regroup.

In a shock development, the kitchens have introduced a heady mixture of sliced apples to the half time oranges. This unprecedented revolution in fruit based mid-game energy snacks certainly unsettled the opposition, and as we restarted up the hill and into the wind the intent of the team was clear. The tireless MOTM Tennant repeatedly made good breaks and eventually got himself into a clear position and slotted in past the keeper to equalise. The football moved up a level after this, and some great moves were put together by the team. More hard work from the energetic year 5s Hannah and Flavin helped Hayes and Eades spread the ball and they consistently beat their opposite number with some crafty one-twos. Many more chances came and went including another penalty which was again saved, but when all the parts fitted together - as they did with 5 minutes to go - the end result was beautiful! A lovely passing move was finished with an even better strike than we had seen earlier in the Colts B match. It was so good in fact that this reporter can not remember who scored it, so I must award it to the team! At 2-1 with a couple of minutes to play, a seemingly innocuous Brambletye corner turned into a nightmare as their striker slid in to tap in the equaliser, and as the full time whistle blew the game finished at 2-2. Despite having the lions share of possession our finishing was somewhat lacking, and Brambletye capitalised on the occasional defensive mistake and showed the value of clinical finishing. A good spectacle, and the team will work on new strategies this week to ensure we can entertain

Pennthorpe next week with our strongest display yet. RF

U9A Football v Brambletye - Won 5-1

It was another near perfect performance from the boys at Brambletye. The boys were determined to come away with another win, and carry on their unbeaten season, they were as slick as ever, and with some lovely passing from C Nimmo leaving Z Riley with 3 goal opportunities which he took with style.

D Westwood and A Smith-Carretero played their socks off in defence and made sure that the boys up front had all the ball they could ever want. There were some lovely shots taken by C Nimmo and C Preen, to end the game with a 5-1 win. I hope the boys keep up the attitude, and keep on winning I hope we can go into half term with an unbeaten season. Keep it up boys, proud as ever with the performance from all. WL

U9B Football v Brambletye - Won 5-0

Well what can I say - the boys are improving in leaps and bounds, with P Kinnear, K Linkin and T Penlington, all scoring against Brambletye. With P Kinnear getting his hat-trick!

The boys really are starting to believe they can come away with an unbeaten season, and so far they are the only team in the school not to have conceded a goal against them, what more can I ask for really.

Yet again we had some lovely defensive play from G Jones and E Meldrum. Leaving J Holiday another easy game.

The game ended with a 5-0 win, yet again a great score for the boys.

I really hope they boys can carry on their positive attitude, and keep up this unbeaten streak, proud as always boys. WL

COPTHORNE SHOW JUMPING SUCCESS AT HICKSTEAD

The Copthorne team won this event again for the second year in succession, defeating Hurstpierpoint in the jump off against the clock.

Burgess Hill, Cumnor House & Warden Park all failed to impress in the first round where Copthorne and 2 Hurst teams managed clear rounds.

Winning the jump off by over 10 seconds the Copthorne team were magnificent!

Amber Flavin - Fielden Dark Imp

Roselly Hamlett - Misty Flight

Georgia Keenleyside - Little Indian Chief

Harriet Keenleyside - Millersford Grace & Favour

Roselly's time in the jump off easily won her the Individual Title with Georgia taking 2nd place and Harriet third! Well done girls ... & ponies!

NEXT WEEKS' FIXTURES

Tuesday 27th September	U9A&B Netball v Notre Dame (a)	1:45 pm
Wednesday 28th September	U9A&B Indoor Hockey v Lancing (h)	2:30 pm
