1 Introduction

- 1.1 The welfare of all of our children at Cophorne Prep School is our paramount responsibility.
- 1.2 A child going missing from education, particularly on repeat occasions, is a potential indicator of abuse or neglect, including sexual exploitation, so called 'honour based' violence or involvement in serious violent crime.
- 1.3 Every adult who works at the school has been trained to appreciate that he or she has a key responsibility for helping to keep all of the children safe at all times.
- 1.4 This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Where staff have concerns that a child is missing from school, this policy should be followed.
- 1.5 Every member of our staff who works with children has read Part one and Annex A of Keeping Children Safe in Education 2022 and they are aware of what indicators to look out for.
- 1.6 Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.
- 1.7 This policy was drawn up having had regard to the Independent School Regulatory Requirements (paragraph 7 and 15), Early Years Statutory Framework (paragraph 3.73) and Department for Education guidance Children Missing Education (September 2016).

2 Information for Parents

2.1 EYFS

- 2.2 The enhanced supervisory arrangements for outings involving our youngest children are set out in a detailed policy document: 'Educational Visits for EYFS Children'.
- 2.3 Both documents are on our website and can be provided to parents on request.
- 2.4 We review these policies regularly in order to satisfy ourselves that they are robust and effective.
- 2.5 All new staff receive a thorough induction into the importance of effective supervision of very young children and read Part 1 of the DfE's 'Keeping Children Safe in Education 2022' guidance.

3 Action to be followed by staff if a child fails to attend first day of school

- 3.1 All new pupils are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School.
- 3.2 If a child fails to attend on the agreed date, staff must inform the Head/Head of Pre-Prep without delay.
- 3.3 The Head/Head of Pre-Prep will consider notifying the local authority at the earliest opportunity.

3.4 Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register.

3.5 This will assist the School and external agencies when making enquiries to locate any missing children.

4 Duty to Report

4.1 The school monitors attendance closely and will act to address poor or irregular attendance.

4.2 The school will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more without permission.

4.3 Where a pupil has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the school and local authority have failed, following reasonable enquiry, to ascertain where the pupil is, the school may delete the pupil's name from the admission register.

4.4 The school will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

4.5 The school also recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

15 Children Missing Education

- 15.1 All children are entitled to an efficient, full-time education which is suitable to their age, ability, aptitude, and Any SEND they may have
- 15.2 The school recognises that children missing education, can be a vital warning sign of a range of safeguarding possibilities. They are also at significant risk of underachieving, being victims of abuse and harm, exploitation, radicalisation, and not being in education, employment or training (NEET) later in life.

Where possible the school will hold more than one emergency contact number for each child.

The school will ensure that there is a record of joiners and leavers as defined in [The Education \(Pupil Registration\) \(England\) 2006 \(amended 2016\)](#).

When removing a child's name, the school will notify the Surrey County Council/West Sussex of: (a) the full name of the child, (b) the full name and address of any parent with whom the child normally resides, (c) at least one telephone number of the parent, (d) the child's future address and destination school, if applicable, and (e) the ground in regulation 8 under which the child's name is to be removed from the school register.

The school will make reasonable enquiries to establish the whereabouts of a child jointly with the Local Authority, before deleting the child's name from the school register if the deletion is under regulation 8(1), sub-paragraphs (f) (iii) and (h) (iii) of [The Education \(Pupil Registration\) \(England\) 2006 \(amended 2016\)](#).

The school will:

- Enter children on the admissions register on the first day on which the school has agreed, or has been notified, that the child will attend the school.
- Notify Surrey County Council/West Sussex within five days of adding a child's name to the admission register. The notification must include all the details contained in the admission register for the new child.
- Monitor each child's attendance through their daily register and follow Surrey County Council/West Sussex procedure in cases of unauthorised absence.
- Remove a child's name from the admissions register on the date that the child leaves the school.
- The school will notify Surrey County Council/West Sussex when they are about to remove a child's name from the school register under any of the fifteen grounds listed in the regulations, no later than the date that the child's name is due to be removed.

Where parents/carers notify the school, in writing, of their intention to Electively Home Educate (EHE) the school will forward a copy of the letter to the Surrey County Council Inclusion Team.

Where parents/carers orally indicate that they intend to withdraw their child to EHE and no letter has been received, the school will not remove the child from roll and will notify the Inclusion Team at the earliest opportunity.

16 Pupils Missing Out on Education (PMOOE)

Most children engage positively with school and attend regularly. However, to flourish, some children require an alternative education provision or may require a modified timetable to support a return to full time education provision. It is recognised that children accessing alternative provision, or a reduced/modified timetable may have additional vulnerabilities. Ofsted refer to these as PMOOE because they are not accessing their education in school in the 'usual way'.

The school will gain consent (if required in statute) from parents/carers to put in place alternative provision and/or a reduced or modified timetable

The school will ensure that parents/carers (and the Local Authority where the child has an Education Health Care Plan (EHCP) are given clear information about alternative provision placements and reduced/modified timetables: why, when, where, and how they will be reviewed.

The school will keep the placement and timetable under review and involve parents/carers in the review. Reviews will be frequent enough to provide assurance that the off-site education and/or modified timetable is achieving its objectives and that the child is benefitting from it.

The school will monitor and track children attending alternative provision to ensure that the provision meets the needs of the child. The school continues to be responsible for the safeguarding of that pupil. The school will obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been carried out on individuals working at the establishment,

The school will comply with regular data returns requested by the Surrey County Council/West Sussex, regarding all children, of statutory school age, attending alternative provision and/or on a reduced/modified timetable.

The school leadership will report to Governors information regarding the use and effectiveness of alternative provision and modified/reduced timetables. The school will also report to Governors/Proprietors/Management Committee any formal direction of a child to alternative provision to improve behaviour. This policy will be reviewed annually by Governors.
