### **1 Introduction**

- 1.1 Copthorne Preparatory School caters for children between the ages of 2 and 11 years of age.
- 1.2 Children are admitted into the nursery from 2 years old but can join the school at any age if there is space and they satisfy the school's admission policy.
- 1.3 From Nursery upwards all children are required to visit the school and spend time where they can be assessed both formally and informally.
- 1.4 In exceptional cases e.g., overseas pupils, places may be offered – subject to the Headmaster's discretion - on the basis of a child's most recent school reports, an on-line informal interview with the Headmaster which will be conducted in the presence of a child's parent(s), and the results of tests in English and maths. Testing of a child will take place with the Head of Learning Support either on-line or in person as part of a two day 'Taster Experience' prior to a formal offer of a place being made. Where a child is deemed to be too young to be formally assessed, the headmaster will base his decision upon the informal interview with the child and the school or kindergarten/nursery reports provided, where applicable. If the school is to sponsor a child to study in the United Kingdom, the Headmaster must be satisfied that a child's level of English is sufficient to engage in learning. Children with English as an additional language will be provided with extra support.

Our school is committed to providing a positive and supportive learning environment for all pupils. However, we reserve the right to decline admission to a child if their behaviour falls below our expected standards or if their academic needs require highly specialised support beyond our capacity to provide. This ensures that we can maintain the quality of education and support for all our pupils.

- 1.5 All parents are required to submit a deposit for entry into the school.
- 1.6 This deposit is refunded in the last term of the child's education at Copthorne and forms part of the final account.
- 1.7 It is expected that all children entering the Nursery will continue their education at Copthorne Preparatory School.
- 1.8 Priority is given to children who plan to complete their prep school education at Copthorne and for those with siblings already in school.
- 1.9 All parents and children will be invited to meet with the Headmaster before a place in the school is offered.

- 1.10 It is the duty of parents to declare any known medical conditions, disabilities or educational psychologist's reports to the school, and the school pays due regard to the Equality Act 2010 and reasonable adjustments are made for pupils with special educational needs and/or disabilities (SEND) in terms of admissions.

## **2 Admissions - Nursery**

2.1 Children may be admitted into the Coach House Nursery under the following criteria:

- That they will be 2 by the time they attend the nursery
- That they have the maturity to attend at least two morning sessions weekly in the younger Nursery classes and three morning sessions weekly in the older class on their own
- That they have visited the nursery and met the relevant staff prior to entry
- That the necessary documentation, registration fee and deposit are sent to the school prior to entry
- That the parent acceptance form is completed and returned to the school office
- In line with the GDPR 2018 parents will be asked to opt in to school communication

2.2 The Early Years Free Entitlement, as administered by Surrey County Council, requires us to offer a minimum of 15 hours of nursery education free of charge.

2.3 Due to the structure of our Nursery and the enhanced curriculum we have, we are unable to offer this entitlement during the 4-hour morning sessions when we undertake more formal tuition. Therefore, the Early Years Free Entitlement will only be available for afternoon sessions.

2.4 In addition, we expect that each Free Entitlement afternoon must be matched by a morning; i.e. children cannot attend just the afternoon sessions.

2.5 Those children who qualify are able to claim the Early Years Free Entitlement in Reception classes also.
