

## What's different in boarding? Covid -19 (September 2020)

- Washing hands – you need to do this more often. You must wash your hands before and after tea. You must also wash your hands after you leave a room such as the boarders sitting room/sports hall etc.
- Showers – before you have a shower you must sanitise your hands so that you do not touch door handles with dirty hands
- Sanitise your hands before entering in to any room – bedroom, showers, boarders sitting room, HE room etc.
- Make sure you take your clothes down to be washed to Matron and your bedding when she asks for it
- Do not borrow things from other boarders
- Make sure you hand in your phone and iPad each night so we can sanitise them and charge them for you
- You can wear a mask wherever you want to, if it makes you feel safe- it is not a school rule to wear one
- If you become ill whilst at school we will place you in a safe room until your guardian/parent can collect you
- Remember to talk to anyone in boarding if you are at all worried or unsure about anything, we want you to feel safe and at home.

The boarding team 😊
